

## Lantern Academy PE and Sport Premium 2023 - 2024 Report

The below table displays the Primary PE and Sport Premium spend for Lantern Academy during the 2023 - 2024 academic year. During the final term of the academic year 2022/2023 the Headteacher compiled an analysis to identify the future needs in order to improve the quality of PE and school sport in a sustainable way, using the government funding. This has also taken into account the issues that have arisen due to the children being involved in the COVID-19 lockdown and the effect it has had upon pupils and their ability to achieve their wider potential across other subjects and not solely PE.

The total amount of funding given to the school during the 2023-2024 academic year was £16,980. The government have given all schools the following areas to consider:

- the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- the profile of PE and sport being raised across the school as a tool for whole school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

<b>Meeting national curriculum requirements for swimming and water safety</b>  <b>For cohort 23/24</b>	<b>Please complete all the below:</b>  <b>This will be completed once all children have received and completed the swimming sessions this academic year.</b>
<b>Please Note: Our local swimming pool was closed for refurbishments during the academic year 23/24 meaning our children did not go swimming. As we knew this was going to happen, in Yr 22/23 all Y3/4 children went swimming, meaning the data below remains the same. Swimming will be picked up with this cohort again this academic year</b>	
What percentage of your current Year 6 cohort swims competently, confidently, and proficiently over a distance of at least 25 metres?	9/12 – 75%
What percentage of your current Year 6 cohort uses a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	8/12 – 67%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	7/12 – 58%

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming, but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
